## **The “Enrique Alcaraz” research award**

The 6<sup>th</sup> edition of the “Enrique Alcaraz” research award was held in Mérida this year.

Five works (4 published monographic volumes and one unpublished Master thesis) were evaluated by external reviewers as well as executive committee members.

The award went to:

## 6ª Edición del premio de investigación

### “Enrique Alcaraz”

*Georgina Cuadrado, Irina Argüelles, Pilar Durán, María José Gómez, Silvia Molina, Joana Pierce, María Mar Robisco, Ana Roldán y Paloma Úbeda*

(Universidad Politécnica de Madrid)

“Diccionario Bilingüe de Metáforas y Metonimias Científico-Técnicas”

Mérida, Junio 2017

## The AELFE Conference in 2018

Our colleagues at Universidad Camilo José Cela in Madrid will be hosting the 17<sup>th</sup> International AELFE Conference. The venue will be conveniently located at the heart of Spain’s capital city. The dates are 28-29 June, 2018.

There will also be a section in the conference devoted to Young Researchers.

We hope to see you there! You can read more at: <https://aelfe2018.wordpress.com/>

Best regards,

A handwritten signature in blue ink, appearing to read 'Alejandro'.

Alejandro Curado Fuentes

President of AELFE
